Membership Policies and Procedures

Membership Season:

Our indoor golf membership season runs from November 1st to April 30th. Your Players membership term starts November 1st and ends April 30th. We cannot prorate the cost of Players memberships activated after November 1st. Even a Players membership activated Dec 1st has an average hour of sim time costing only \$15.13 per hour + the free club (\$120.00 value) storage, etc, etc. Select memberships must be activated no later than Jan 29, 2018. Memberships are not valid May 1st – October 31st.

Reservations:

Our Players members enjoy 10 day advanced booking privilege. These members may have up to three times booked on the tee sheet at once. A no show for a booked tee time counts as an hour of included sim time in your package. The online booking page allows 7 day advanced booking only. To book more than 7 days in advance, Players members are asked to simply call and speak to a staff member.

Initials: _____

Included Simulator Time:

Certain procedural guidelines must be followed regarding the usage of sim time included in your membership. Your included time may only be used for your portion of your group's rented simulator time. Other players in your group must rent at least one hour of simulator time each for your included hour to be valid at that time. Only one hour of included simulator time may be used per day. Players members may use their included sim time Sunday – Friday. Select members may use their included time Monday – Friday.

Time Management:

We recommend booking 1 hour per player to complete 18 holes. Some conditions may impede the ability of a group to complete their round on time – players shooting higher scores, delays in players executing their next shots, having too much fun, etc. Our staff can make certain programming modifications to speed play, ask a staff member for advice on this issue. Ultimately, you are responsible for completing your round within the time booked. If a group is not waiting for your sim, you may book additional blocks of time in half hour segments at the end of your time.

Initials: _____

Member Discounted Simulator Time:

This section references Players members only. These members are entitled to simulator time at a 50% discount under certain conditions. This discounted time may be used if playing on Saturday. Limit is one discounted hour per Saturday. This discounted sim time may only be used for the member's portion of a sim rental. Other players must book their own hour of time.

Outside Food & Beverage:

For the benefit and enjoyment of our members and guests, we have a full kitchen, and food menu available until one hour before closing. It is for this reason, and in the case of alcohol consumption, for legal reasons, that we cannot allow any outside food or beverages brought onto the premises. Expulsion and/or suspension of privileges may result for not adhering to this policy.

Initials: _____

Cancellation:

Cancellation of a membership is subject to a \$50.00 processing fee. The member must email their request to info@indoorgolfclubs.ca. Upon receipt and processing of the emailed request, the cancellation will take effect at the end of the current billing cycle. The Player's membership billing cycle is a calendar month. The Select membership billing cycle is every 4 weeks. A refund equivalent to the pro-rated amount of the membership fee for the time remaining will be issued.

Patron Enjoyment:

Members and guests are expected to respect the facility enjoyment of other members and guests. It is also imperative to respect the staff members and the authority granted to them at all times. Failure to do so, may result in temporary expulsion from Players, suspension of, or termination of this membership. A membership termination is subject to the same terms as a membership cancellation.
